**What is your previous job?** I was a sales rep. I was selling and creating a website for several kinds of industries. It was a good experience to work with customers to create a website that suits the style of the store or company.

**What made you join the MK Kashiya?** Many people own rice field in our hometown "Saku-city", and my family is one of them. At my parent's house, we grow vegetables and rice as a part-time farmer. And I like agriculture, which I had been helping since I was little. As the oldest son, sooner or later I need to take over them from my father, so I was looking for the new job in my hometown where I can use my English skills. And then I came across MK Kashiya.

**What is your favorite food?** Pizza!!! Not Italian pizza, I love American pizza. Japanese pizza also good taste, but it is pretty expensive though. My diet won't succeed because of it.

**Are there any foods that you dislike?** I have walnut allergy. The other day, I inadvertently ate a cookie with walnuts, after that my face swollen like Arnold Schwarzenegger in the SF movie "Total Recall".

**What is your former Job ?** I was a tour bus guide 2 years ago. I guided the Japanese tourist the famous place in my hometown(Saku-city),Tokyo or Kyoto. As a tour guide, I recommended them what to see, what to eat, what to do. I liked my job because I can learn the history and geography of the tourist spot and I could visit lots of beautiful places.

**What made you work at MK Kashiya Corp.?** I thought I would like to get a job where I could use my English skills. I like learning foreign languages. Recently I would like to learn Spanish.

**What is your favorite food?** My favorite food is Italian food. I like ragu alla Bolognese and pizza Margherita.

**What do you do on your day off?** I usually play tennis with my friends on a sunny day. I also play tennis after work on week days. I play tennis 4-5 days a week. On a rainy or a snowy day, I usually clean in every corner of my room.

**What are you into these days?** Cooking. I would like to be a good cook. Actually I do not like cooking. Please tell me quick, easy, delicious recipe.
